G7

I hear the train in the distance
Lying awake and thinking of you

C7

I hear that train in the distance

G7

Lying awake and thinking of you

D7

C7

That talk we had this morning

G7

D7

Is driving me crazy, I'm no fool

You told me

G7

I don't want your money,
Honey, I'm still in love with you

You told me

C7

I don't want your money,

G7

Honey, I'm still in love with you

D7

Don't take the kids and leave me

C7

G7

D7

We'll make this work and save us too

Solo

G7

The thought of us together
Will drive that golden spark
We'll make it if we have too
We'll make it cause we must

You told me

I don't want your money,

Honey, I'm still in love with you

You told me

I don't want your money,

Honey, I'm still in love with you
